Our Story

**MEADOWLARK...FOCUSED
ON SUSTAINING A VIABLE,
WELL-MAINTAINED AND
SECURE NEIGHBORHOOD**

ESTABLISHED IN 2001 AND COMPLETED IN 2014, Meadowlark Lakes & Villas is located west of Raceway Road, between Rockville Road (U.S. 36) and Washington Street (U.S. 40).

- Our community is easily accessible to interstates, schools, restaurants and all kinds of shopping on Rockville Road and in the Perry Crossing Shopping Center in Plainfield.
- As a part of Hendricks County, Meadowlark is served by the Town of Plainfield, which provides road maintenance, sewer service, trash removal, and police and fire coverage.
- Our neighborhood is governed by the Meadowlark Homeowners Association Board of Directors and the MHOA Board encourages our residents to learn about all the services and social amenities that are available to them so they can quickly build a connection to the community.
- At Meadowlark we have a very social, close-knit community where we enjoy each other's company and take action to ensure the safety and welfare of all homeowners. We hold an Annual Homeowners Meeting every year in October, bringing the community together as a whole. We also have many opportunities to socialize in small groups. See the [Calendar of Events & Activities](#) page for details. It is our hope that you will find an activity that suits your interests and join us.

Testimonials

Why we chose Meadowlark.

Services

At Meadowlark we have access to services that make living in the community more convenient; like lawn care, snow removal.

Activities

There is something about our neighborhood that stands out, and we love it! There are always functions, activities and clubs to keep you involved.

Involvement

Being an involved and engaged resident means taking an active role in making our community the best it can be.

ANNUAL MEETING NEXT WEEK

IMPORTANT!

By now all of you should have received a mailing from KMC with materials for the Annual Meeting.

They are:

1. Letter
2. Proxy
3. Candidacy form
4. Corporate Transparency Act information
5. Budget report from 2023-2024, and 6-Months Budget Report ending 12/31/24
6. Proposed 2025 Budget

NOTE: If you did not receive this mailing, or need another copy, contact Shirley Hargis at ushargis@yahoo.com.

BUDGET

For the 2025 budget, we propose two options:

- (1) No Increase
- (2) 5% Increase

We hope no one gets all “up in arms” again about the proposed 5% Increase Budget. The Board is *obligated* to present a balanced budget, which this option does, even showing a \$2,996.34 excess.

The No Increase Budget shows a deficit of \$7,739.66. As stated in the letter, we cannot keep working with a deficit budget. If we do and we have unexpected expenses such as higher costs for heavy snowfalls through the winter months, then we will need to bill a Special Assessment to all homeowners to cover the deficit.

The Board's duty is to make sure you understand the reasons and data behind each option. *You have two options. The choice is yours.*

As always, the Board will act on whatever our residents vote for us to do.

Please plan to attend next Tuesday. We need you there to help guide the future path for Meadowlark.

PROXY

If you can't attend in person, just complete the Proxy form and give it to Paula Moore or Shirley Hargis. You can also mail it to KMC, but it needs to be mailed by tomorrow (October 3rd) to guarantee it will be received by them prior to the meeting.

PROXY

If you can't attend in person, just complete the Proxy form and give it to Paula Moore or Shirley Hargis. You can also mail it to KMC, but it needs to be mailed by tomorrow (October 3rd) to guarantee it will be received by them prior to the meeting.

SERVING

We hope some of you will offer to serve on the Board as an officer. We need a Vice President and Secretary. We also need more people to serve on the Architectural Review Board Committee. This committee reviews all ARC requests that are submitted for outside improvements, to make sure they abide by the Covenants and do not create a problem for their neighbors. Everything is handled by E-Mails; there are seldom any face-to-face meetings. Let us know if you are willing to help us with this.

ADOPT-A-POND

We are still asking 5 people to offer to "Adopt-A-Pond." All this entails is walking the Pond weekly during the summer months, to check its health to make sure there are no issues with it. Surely there are 5 people out of 210 homes who are willing to help our Grounds Liaison with this. You don't have to live on a pond to Adopt one. So, please let us know.

See you next Tuesday. BE THERE! YOU ARE NEEDED!

FEES CLARIFICATION AMENDMENT VOTE

The Amendment to clarify that our Fees are based on our type of Residence Unit (Villas or Lakes homes) has passed with flying colors. It clarified that Villas (standalone homes) pay a slightly higher fee than do the Lakes homes (paired-patio). This is how Meadowlark was first set up and has operated since 2001 and now clearly defines that we will follow this process in the future.

We will incorporate the new fees wording into our Second Rewrite of our Governing Documents that were amended last March and distribute them to all homeowners in the next few weeks.

IMPORTANT - LATE FEE CHARGES

The amendments to our Governing Documents include a change to late fees:

- ◆ As of October 1st, any homeowner who still owes their July 1st dues, all or part, is to be charged **\$35** a month for that month and each month afterwards that the dues are unpaid. However, the Board will waive the charge for October BUT any accounts with an unpaid balance November 1st **WILL** be charged the **\$35** late fee, and each month afterwards if unpaid.
- ◆ Effective with our January 1, 2025 dues, all late pays will be charged a **\$50** late fee instead of \$20, and the **\$35** will be charged for each month afterwards that any portion of the dues remain unpaid.
- ◆ It is important that EACH homeowner pays their dues when billed to keep the late charges and possible attorney charges from piling up, and to also ensure that the Association has the funds needed to meet our budgetary responsibilities.

MEADOWLARK FACEBOOK GROUP

Take a few moments to join our Meadowlark Facebook Group. Paula Moore is overseeing the group and you will find it very beneficial to learn about timely happenings in Meadowlark.

Go to the [Documents](#) page and click the "Meadowlark Facebook Page" file for instructions. If you have trouble signing up, email [Paula](#).

WINDOW SCREENS REMINDER

If you have damage to your screens, by birds or otherwise, you have until **November 1st** to either repair them or remove them entirely. If not resolved by that date, you will receive a Violation letter.

A good source to repair them is:

Cook's Glass & Mirror Co. Inc.
5703 West Morris Street
Indianapolis, IN 46241
Phone: (317) 241-9344
Email: Cooks-glass@sbcglobal.net

OUR MANTRA

MEADOWLARK.

Neighbor helping neighbor; caring about each other; being willing to work together for the betterment of our community.

MEADOWLARK...a great place to call Home!

Calendar of Events

October 8 - Annual HOA Meeting

Board Meetings

none

Any resident is welcome to attend the General Session of a Board meeting. If interested, contact the Board President at least a week in advance of the meeting.

- Services -

Welcome Committee

No neighborhood is static; people move in and out all the time. We welcome all new neighbors with a Welcome Visit and give them a Welcome Packet of information about our neighborhood as well as a gift. We also provide the rules and regulations that govern our community. It's as much about keeping people informed as it is about getting people involved.

If you are new to Meadowlark and have not received a Welcome Visit, contact:

Elaine Kinhead
(317) 260-9792
ckinhead38@yahoo.com

- Services - Crime Watch

You can generally tell a safe neighborhood vs. an unsafe neighborhood by how well homes are kept and the number of people on the streets. Working with residents and the Plainfield Police Dept., we take a vigilant approach at preventing crime and making our community safe.

Throughout the year, our Crime Watch Block Captains keep a watchful eye for unusual activity. On occasion we hold a Crime Watch Meeting about a timely issue that affects all of us.

Our mantra is *"If you see anything suspicious, contact the Plainfield Police."*

See the [Crime Watch](#) page for more details plus a list of the Block Captains.

Anyone can be a Block Captain. If interested, contact:

Elaine Kinhead

(317) 260-9792

ckinhead38@yahoo.com

- Services - NNO Function

The Meadowlark community supports the annual National Night Out, held the 1st Tuesday in October at Hummel Park in Plainfield. The Plainfield Police Department partners with members of our community to show support for crime prevention. Police and fire personnel from Plainfield and other public safety agencies are there to visit, talk about safety and answer questions.

This is a FREE event with bounce houses, DJ, yard activities and games, community vendors, free giveaways, and the most important thing...FREE food.

For current information, go to the Town Of Plainfield web page:
<https://www.townofplainfield.com/Search?searchPhrase=national%20night%20out>

- Services - Annual HOA Meeting

There is no escaping community growth; however, how it is handled makes all the difference. Every year on the 2nd Tuesday of October, we hold our Annual Homeowners Meeting to keep residents informed on changes that affect the community as a whole. This is a vitally important meeting, as that's when we elect officers, review the budget for the upcoming year, report on activities and decisions made the past year, and bring issues and ideas to the residents. It's also a time to receive your input and questions.

The meeting is from 6:30 p.m. to 9:00 p.m. at Grace Pointe Church, corner of Raceway Road and Morris Street.

We urge every homeowner to attend or submit their proxy. Your interest is what keeps us growing in the right direction.

Make this your neighborhood...get involved!

- Clubs - Dinner Club

The Dinner Club meets the 3rd Tuesday of each month at 6:00 p.m. during the Spring to Fall months to try out community restaurants and to visit and socialize with our neighbors. The club disbands during winter. The Location is determined monthly.

If you love to try new eating places and would be interested in joining other neighbors, contact one of the ladies below and put your name on the call list. Prior to the dinner each month you will receive a call to see if you are going and to let you know where it will be that month.

Contacts: Wanda Warren
(317) 839-8445
Carolyn Huber
(317) 838-7473

- Clubs - Bunco Club

There currently is one Bunco Club which meets once a month @ 6:30 PM. Members share hosting in their homes and provide plenty of snacks and desserts. The hostess for the month decides on the date. It's a fun time for all.

If you like Bunco and would be interested, contact:

Elaine Kinkead

(317) 260-9792

ckinkead38@yahoo.com

- Activities - Garage Sale

Each year on the 2nd Saturday in June, the entire neighborhood joins in a Community-wide Garage Sale. The Board secures the necessary permit and posts signs advertising the sale.

Participation is optional, of course, but most residents find it a good time to clean out their garages and closets. Our community draws in a lot of people from areas all around us.

It runs from 8:00 a.m. to 2:00 p.m. All residents are welcome to join in.

New Club?

If you have an interest in starting a new club such as Euchre, Book Club, Day Trippers or something else, contact us with the details.

We will publicize it and if enough residents are interested, add it to our Activities.

If you are interested, email:

MeadowlarkLakesHOA@gmail.com

WORKING TOGETHER
to keep our neighborhood
safe, inviting & beautiful

Architectural Review Committee Intro & Process

THE ARCHITECTURAL REVIEW COMMITTEE (ARC) is comprised of the ARC Liaison and multiple homeowner members.

It is the responsibility of this committee to review each new improvement request submitted by a homeowner and to approve or reject the request in a timely manner. The committee reviews the design, appearance, color, materials, dimensions, pictures, and specifications of all improvements requested. A Plot Plan must be included for all new improvements, marking the locations where they are to be installed. The committee is guided by, and adheres to,

the Declaration of Covenants and the Plat Covenants and Restrictions. The purpose of this review is to preserve the harmonious relationship among structures, the vegetation, and the topography in the Meadowlark community...to maintain the quality and standards of our neighborhood.

When we work together, we can continue to achieve the goal to maintain the quality, beauty, and value of our neighborhood.

General Rule: No "new" changes may be made to the exterior of a house or to a lot without the approval of ARC. Only those items listed below as "Exceptions" are exempt from ARC approval.

Exceptions

These do not require submission of a Request for Change form or approval from ARC

Flower Beds:

- Flower beds, flowers, shrubs, and decorative edging installed within 6 feet of a home's foundation; also around mailboxes so long as the plantings do not block your address or flow into the sidewalk or street.
- "Replacement" of existing trees so long as they are planted in the same place. New trees must be approved.

Needs Approval

Must submit a Request for Change form and it must be approved before work can begin

Exterior of House:

- Any "new" improvement, such as storm doors, security doors, retractable awnings, decorative fixtures, additions, any color changes, new or additional satellite.

Lot Improvement:

- "New" improvements such as trees, decks, pergolas, patios, retaining walls, fences, fountains, walkways, drainage, irrigation systems.

Not Allowed

Not allowed in Meadowlark; if submitted, will be denied

- Swimming pools, sport hard courts, permanent and portable basketball goals, non-retractable awnings, satellite dishes that do not meet the requirement of being on front of home within the 10 ft. guideline.

♦See the *Declaration of Covenants and the Plat Covenants and Restrictions* for a detailed explanation of improvements allowed/not allowed.

Exterior:

- "Replacement" of existing doors, windows, shutters, siding and roof so long as they are in the same place and meet the color scheme and standards of the community. Any deviation from this requires ARC approval.
- "Replacement" of existing satellite dish so long as it is located at least 10 ft. from the front of the home; old one is to be removed. If a second satellite dish is needed, you MUST have approval from ARC.

♦IMPORTANT!

Homeowners who make new improvements without seeking ARC approval must still complete the [Request for Change](#) form. It will be reviewed by ARC and if found to be non-compliant, the homeowner may be asked to remove it.

ARC Process

How to Submit a Request for Change Improvement Request

As defined in the Covenants, when a homeowner in Meadowlark wants to make a "new" improvement to his or her home exterior or landscaping, approval must be received from the Architectural Review Committee (ARC), except for the things stated in the **Exceptions** column shown above.

Process for "New" Improvements

1. Get the Request for Change form, either by downloading it from the link below, from our [Documents](#) page, or by contacting Kirkpatrick Management; (if you have questions about the process, contact the ARC Liaison for assistance):
 - Phone: Office: (317) 570-4358 or *Direct: (317) 558-5830
 - Email: Sunnie Miller, CSR - smiller@ekirkpatrick.com
 - US Mail: Kirkpatrick Management Co., Inc., 5702 Kirkpatrick Way, Indianapolis, IN 46220-0630
2. If you downloaded the form from our "[Documents](#)" page, it is set up for you as a "forms fill-in"...just TAB through the fields and complete the necessary information. Save and print it. Homeowner must include this information: *Detailed description, color, material, dimensions, a copy of homeowner's Plot Plan showing where the change is going, pictures of the requested item, contractor specifications...anything that applies to the request.

3. *Send the completed form and all supporting materials to KMC by Email (scan and send) or US Mail.*
4. *KMC verifies the owner and address and checks all information on the submission. If there is missing information
the request will be Denied and the homeowner is contacted to resubmit the request with ALL the necessary information and materials.*
5. *Once all required information is received, KMC forwards the request to the ARC Liaison.*
6. *The ARC Liaison then sends it to the members of the Committee.*
7. *ARC members review each request as it is received, and the committee:*
 - (1) gives full approval*
 - (2) gives qualified approval (requires changes to be in compliance with the Covenants), OR*
 - (3) denies the request.*
8. *Liaison returns the request to KMC, stating the committee's action.*
9. *If approved, KMC informs the homeowner of the decision by letter. Once homeowner receives the approval, work on
the improvement may be started. Owner has one year to complete the improvement. After that, it must be
resubmitted.*
10. *If rejected, KMC informs the homeowner of the rejection by letter, and the reasons.*
11. *Homeowner has the right to appeal or to change the requested improvement plans to eliminate the non-compliance reasons, and resubmit the changed request to KMC.*
 - ♦ *If appealed as originally submitted, the Board will review it and their decision is final; KMC will advise homeowner of the outcome.*
 - ♦ *If the request is re-submitted with the necessary changes, it goes through the review process again.*

ARC Request for Change Form

Click the file name and download it to your local drive: [ARC Request for Change Form](#)

IMPORTANT!

If a homeowner makes an improvement without seeking approval from ARC, the Board has the right to (1) request the homeowner submit the Request for Change form "after the fact" and (2) if homeowner does not, or the improvement does not comply with the Covenants, the Board has the right to ask the homeowner to remove the improvement. It is very important that homeowners follow the procedures to avoid any misunderstandings.

The Architectural Review Committee pledges to act promptly to ensure your request is reviewed and acted upon as quickly as possible. To help us do that, make sure all required materials are attached to your Request for Change form when it is submitted.

General & Restrictions Information

GENERAL INFO:

- Association dues are paid semi-annually each year. First one is due January 1st, second one due July 1st. Please be prompt, as late fees do apply. Questions? Contact the [Management Co.](#)
- Lawns are normally mowed on Wednesday. If you experience problems, contact the [Management Co.](#)
- Mowers do not mow inside private fenced areas and do not edge around the fences. The Homeowner is responsible; also responsible for cleaning up dog waste inside private fences as well as the maintenance of the fence.
- Snow removal starts at 2 inches; streets, driveways, sidewalk to front door are hand-shoveled. If you have questions, contact the [Management Co.](#)
- Trash pickup is Friday a.m. Trash and Recycle carts can only be put out within 24 hours before pickup but must be at your curbside by 6:30 that morning. Carts must be returned to your garage within 24 hours after pickup. Carts cannot be left outside in public view.
- For heavy items, call Waste Management to arrange for a special pickup - (866) 797-9018.

RESTRICTIONS:

- Animals (dogs and cats) must be leashed when outside; you must clean up after them.
- "New" Improvements to your yard/outside of your residence must first be approved by the Architectural Review Committee (ARC). Improvements that do not require ARC approval are noted on the [ARC Intro & Process](#) page.
- Do not block sidewalks when parking on the street or in your driveway. This is a violation of a Town of Plainfield Ordinance. Keep them clear for all to enjoy during their walks; try not to block curb numbers... especially at night. They are critical in an emergency.
- Garage lights are "dusk-to-dawn" and must be on every night. They are a major factor in maintaining neighborhood security.
- If a homeowner disregards the rules in the Declaration of Covenants and the Plat Covenants & Restrictions, such action may be considered a Violation, and the homeowner will be contacted to remedy the violation.

See the [ARC - Intro & Process](#) page for more details; also read the [Declaration of Covenants and Plat Covenants & Restrictions](#) (found on the [Documents](#) page) for detailed information.

Crime Watch

THE MEADOWLARK COMMUNITY works with the National Crime Watch program. In the past, Crime Watch meetings were held in the Spring and the Fall, but we now occasionally hold one only when matters that have a bearing on our community arise. Such meetings are held at the Grace Pointe Church, corner of Raceway Road and Morris Street.

We have a good relationship with the Plainfield Police and Plainfield Fire Departments who update us on crime activity in our area and safe practices. In the Summer we support National Night Out held at Hummel Park.

We have a very active group of "Block Captains" who are on the lookout for suspicious or dangerous activity. The Meadowlark neighborhood has one of the lowest crime rates in Hendricks Co. We are very proud of that and strive to keep our community safe.

- If you have an emergency, call **911**
- If you see any suspicious activity... anything that doesn't look normal, call the Plainfield Police at **317-839-8700**
- Or use the Crime Tip Line at **317-754-5200**

Plainfield Police Facebook page <https://www.facebook.com/PlainfieldIndianaPD/>

Crime Activity Updates

August: Resident on Oriole Court had damage to all 4 tires on 2 vehicles in his driveway. It was reported to the police and is considered vandalism. You can protect your vehicles by parking them in your garage. All homes have room for at least 2 vehicles.

June & July: No activity reported.

May: No activity reported.

April: In the past few weeks we have received reports of:

- ♦ Paint Ball paint splattered on sidewalk and driveway on Whippoorwill
- ♦ Mailbox post hit and run on Swan Court
- ♦ Peeping Tom spotted by resident on Oriole Ct. about 10:15 p.m.
- ♦ Mail stolen from mailboxes

REMINDERS: Close your blinds and curtains in the evening. Make sure all windows and doors are locked, including those of your vehicles if parked outside. Consider taking your outgoing mail to drop in the mailbox at Meijer's.

REMINDERS: Close your blinds and curtains in the evening. Make sure all windows and doors are locked, including those of your vehicles if parked outside. Consider taking your outgoing mail to drop in the mailbox at Meijer's.

If you have cameras and see something suspicious, please share it with the Police Department. Also make [Elaine Kinkead](#) aware as she is in charge of the Block Captains and tracks activities in the community.

RULE TO FOLLOW: *Any suspicious person or activity should be reported **right away** to the Plainfield Police. It may seem insignificant, but your report might make a difference in stopping a future incident or apprehending the perpetrator.*

Our Management Co.

KIRKPATRICK MANAGEMENT CO, INC. has been providing management services to the Meadowlark community since 2009:

- ✓ Bills and collects annual assessment/special assessment fees.
- ✓ Manages deposit of collections and payment of expenses.
- ✓ Prepares Monthly financial statements.
- ✓ Prepares Annual budget.
- ✓ Works with the Board on the maintenance of all Common Grounds.
- ✓ Works with the ARC group on all improvement requests by homeowners.
- ✓ Notifies, processes, and oversees violations of the covenants by homeowners.
- ✓ Works with the Board on contracts for snow removal, lawn services, and maintenance of ponds and fountains.
