Our Story

**MEADOWLARK...FOCUSED
ON SUSTAINING
A VIABLE,
WELL-MAINTAINED
AND
SECURE
NEIGHBORHOOD**

ESTABLISHED IN 2001 AND COMPLETED IN 2014, Meadowlark Lakes & Villas is located west of Raceway Road, between Rockville Road (U.S. 36) and Washington Street (U.S. 40).

- Our community is easily accessible to interstates, schools, restaurants and all kinds of shopping on Rockville Road and in the Perry Crossing Shopping Center in Plainfield.
- As a part of Hendricks County, Meadowlark is served by the Town of Plainfield, which provides road maintenance, sewer service, trash removal, and police and fire coverage.
- Our neighborhood is governed by the Meadowlark Homeowners Association Board of Directors and the MHOA Board encourages our residents to learn about all the services and social amenities that are available to them so they can quickly build a connection to the community.
- At Meadowlark we have a very social, close-knit community where we enjoy each other's company and take action to ensure the safety and welfare of all homeowners. We hold an Annual Homeowners Meeting every year in October, bringing the community together as a whole. We also have many opportunities to socialize in small groups. See the [Calendar of Events & Activities](#) page for details. It is our hope that you will find an activity that suits your interests and join us.

Testimonials

Why we chose Meadowlark.

Services

At Meadowlark we have access to services that make living in the community more convenient; like lawn care, snow removal.

Activities

There is something about our neighborhood that stands out, and we love it! There are always functions, activities and clubs to keep you involved.

Involvement

Being an involved and engaged resident means taking an active role in making our community the best it can be.

It's been 25 years since our country endured one of the most heinous attacks ever...9/11/2001.

Meadowlark was a brand-new community in April of that year. Some of you had just bought homes here. Others of you were children or young adults at the time. Some of you reading this weren't even born yet, but all of us were affected by the terrorist acts on that terrible day when so many Americans died unjustly, because of hatred.

As we pause to remember that day, we find that America is still warring with countries in the middle east. We all want peace, but it seems the arguing, differences, greed, and hatred just seems to continue.

At times we feel helpless, and it's hard to deal with what's happening around us. That is a fact, and there is much in our world today we can't control.

But it still comes down to this; each of us must try to make a difference, even if it's a small one...in our lives, family, work, church, community. We can keep kindness, consideration, and charity for others in our lives. We can look at people for the good that they are, and not judge them by their clothing, accents, customs, ethnicity, wealth, religion, or possessions.

For when you strip everything away, we are all the same; simply human beings with the potential to love one another and help those around us. That's really why we are here on this Earth.

Let's keep that in mind as we continue on our journey through life.

Sincerely,

Shirley T. Hargis, President

A graphic with a dark blue background and a diagonal line. It features a countdown timer for the Meadowlark HOA Annual Meeting. The title is "Countdown to Meadowlark HOA Annual Meeting" in white. Below it, the date and time are listed: "Tuesday, October 13th at 6:30 p.m. at Grace Pointe Church". The timer consists of four green circles, each containing a number: 29, 07, 20, and 22. Below each circle is a label: "Days", "Hours", "Minutes", and "Seconds".

Countdown to Meadowlark HOA Annual Meeting

Tuesday, October 13th at 6:30 p.m. at Grace Pointe Church

Notices

Trash Pickup Delayed

With the Labor Day holiday this week, our trash pickup is delayed to Saturday morning. Please don't set out your trash until Friday evening at the earliest.

Dinner Club

Have you heard about the Meadowlark Dinner Club? On the 3rd Tuesday of each month from Spring through Fall, residents go as a group to a restaurant in the general area. Usually 20-25 persons attend. No business discussed, just a time to enjoy a good meal and good conversation with neighbors.

The September Dinner Club is next **Tuesday, September 15th at 6:00 p.m. at the Ale Emporium**. If you'd like to join us, contact either Wanda Warren, 317-839-8445, or Carolyn Huber, 317-838-7473 so they can add you to the reservation list.

HOA Board Meeting

Our next Board meeting is **Monday, September 21st at 6:30 p.m.** Residents are invited to join our meeting via Zoom. Watch for an email next week with the Agenda and instructions for joining us.

National Night Out

NNO 2027 is set for **October 6th at Hummel Park in Plainfield**. The Plainfield Police Department partners with members of our community to show support for crime prevention. Police and fire personnel from Plainfield and other public safety agencies are there to visit, talk about safety and answer questions.

This is a FREE event with bounce houses, DJ, yard activities and games, community vendors, and free giveaways.

AES Electric Rate Increase Calculator

As of July 1st, AES put into place Phase I of their rate hikes. Effective January 1, 2027 the Phase II rate increase goes into effect. If you want to calculate how much your bill will increase, just click the link below. We have also placed this link on our Bulletin Board page for your future convenience.

https://www.aesindiana.com/rate-review?utm_source=chatgpt.com

Scroll to the bottom until you see "Rate Calculator." Get one of your bills and enter all the information the calculator asks for. You will see the rate increase for both Phases. The total is the rate that applies for all of 2027.

Handyman

If you are looking for an all-around Handyman, we have one for you:

BRANDON DAVIS - (317) 693-4770

He does just about anything, inside and out, except electrical, but has a good source for that if needed.

He is detail-oriented and is a very hard worker. We highly recommend him.

NEW GROUNDS LIAISON

We are pleased to welcome Reginald "Reggie" Laratte as our new Grounds Liaison. Reggie is new to Meadowlark and already considers this his forever home. He wants to invest in Meadowlark's future growth and get to know his neighbors. Thanks, Reggie, for choosing Meadowlark and being willing to serve our neighborhood. If you see him out and about, please say Hello.

MEADOWLARK HOA ANNUAL MEETING

TUESDAY OCTOBER 13TH – 6:30 TO 8:30

GRACE POINTE CHURCH, RACEWAY & 100S

Fall is on its way and our Annual HOA Meeting is fast approaching. It will be held on **Tuesday October 13th at 6:30 p.m. at Grace Pointe Church**, at the corner of Raceway Road and 100 S (Morris Street).

All sign-in sheets and handouts will be in the lobby. When our setup in the meeting room is completed, we'll invite you up.

The Board will be presenting the budget for 2027. For 2026, we cut every non-essential item possible and were able to continue without an increase. But for 2027, there is nothing more to cut and we are facing increases on almost everything:

Electricity – 2 rate increases totaling 2.12%

Liability Insurance – 5% increase

Water – 3% increase

Lawn care – 3%

Snow Removal – 3%

Irrigation System – 3%

KMC Management – 5%

Because of these increases, the 2027 budget will be based on a 10% dues increase. A vote will be held at the meeting on the dues increase.

At this meeting we will also be electing new Board Members to help carry on directing Meadowlark's future path. Please think about serving. You are needed.

Positions:

Vice President
ARC Liaison

Other Duties:

Web Page Manager
Adopt-A-Pond
Serving on the Architectural Review Committee

Very soon KMC will be mailing you a Proxy Form to complete if you cannot attend, and a Candidacy Form to complete if you'd like to serve on the Board. A ballot to vote on the 10% increase will also be included, plus other materials.

Please plan to attend. Your attendance and views are needed as we plan the future of Meadowlark.

SMOKE ALARMS

Did you know your smoke alarm batteries should be replaced every year and your entire smoke alarms replaced every 10 years? You may not be too concerned right now, but when one of your smoke alarms starts "chirping" (the battery needs replacing), I guarantee it will become very important to you.

We have many new homeowners in Meadowlark who may not know that we have a source to help us with this task; especially for our older residents and those with vaulted ceilings. The **Plainfield Fire Territory** has a special officer who will come to your homes to replace the batteries or the entire alarm. You buy the batteries (9 volt) and smoke alarms; he will install them for you.

If you have vaulted ceilings or are unable to handle it yourself, contact:

Officer Wayne Long, (317) 754-5184

and schedule a time for him to come to your home.

There are several acceptable smoke detectors. Here is one of them:

First-Alert-9120B 120 Volt AC/DC hardwired with 9V battery back-up Ionization Smoke Alarm, about \$25 from Electric Bargain Store, LLC, (310) 822-6500. You can contact them at info@electricbargainstores.com or order both the smoke alarms and batteries from their website at:

[First Alert 9120B 120V AC/DC Hardwired with 9V Battery Backup Ionization Smoke Alarm – Electric Bargain Store](#)

Another source is [Amazon.com](#). Search for "kidde 9 volt battery for smoke alarms 10 year" to see a list of numerous batteries and smoke alarms and make your choice.

[Here is an example of the Smoke Alarm:](#)

TREES

In the past few weeks we have experienced several bad storms and some very strong winds. Several of our residents have had trees uprooted and tree limbs broken off. Kelly Landscaping has handled the cleanup of a few of these at the HOA's expense.

The HOA has also paid for the trimming of tree limbs overhanging the sidewalks that were making it hard to walk. However, **the HOA will not continue to handle these in the future.**

IMPORTANT. If a tree or tree limb goes down in the Common Ground, yes, that is the HOA's responsibility. But trees or tree limbs down on your property are your responsibility to have removed, as are your tree limbs overhanging the sidewalks.

Meadowlark is 25 years old, and many of the Bradford Pears are reaching their lifespan of 20-25 years. It is time for you to consider removing any trees on your property that look diseased, hollow, or damaged. Better to be proactive than wait until your tree comes crashing down on your home.

In 2027 the HOA will start removing damaged, diseased trees in the Common Grounds. We have added a special account in our Budget to handle this. We anticipate this will be an ongoing expense over the next few years. Decisions will be made as to whether new trees are planted in their place, or no replacements made. It will depend on our budget limitations.

COMPLIANCE TEAM

Since the passing of the Indiana HOA Act in July and the approval of our Meadowlark Violation Fines Schedule, things have been going slowly at KMC regarding the sending of Violation letters.

Violations are not the same for all communities that KMC manages. Some have pools, community buildings, etc. With the new laws, the wording of the Violation Letters must clearly define the violation and any fines that apply...for each separate violation.

In the past, KMC had semi-automated this process, but now have had to modify their process so the correct letter and violation is sent to each of the many communities they manage.

Although Meadowlark has been caught up in this process change, letters will soon be going out.

WEEDS

One major issue in Meadowlark is WEEDS.

When driving through Meadowlark we see many flowerbeds, driveways, and rocks between paired-patio homes that have weeds growing in them.

We are also seeing many back yards that are not being maintained. Instead of Flower beds, all we see are "Weed" beds.

If you receive a violation letter for weeds, you'll have 20 days to clear them out...front and back. If you don't, then the fine process begins. And if you clean them up, but later we see weeds growing again, the fines increase.

So, get out your garden tools and clean up your property now. Help keep Meadowlark looking neat and inviting.

INSURANCE - CONDO or PRIVATELY OWNED?

In talking to a new homeowner recently, I learned they had been told their home was a Condo and they were sold insurance for a Condo. That is NOT correct.

When you buy in Meadowlark, you own both your house and the land; they are privately owned.

Meadowlark is a "maintained community" which means your Association dues take care of snow removal, lawn care, ponds/fountains, and the common grounds. We are also a "deed-restricted community" which means all owners are governed by our Covenants. That means that while you can do whatever you want to the inside of your home, you must follow the Covenants and get approval for any changes to the outside of your house or to your grounds. The Architectural Review Committee (ARC) is there to help you through the process.

Although lawn care is provided, you are responsible for keeping your grounds neat and tidy. No weeds, no bare spots in the lawn, trees and bushes trimmed.

If you are relatively new to Meadowlark, check with your insurance agent to make sure your coverage is for a privately-owned home and not for a condo and make any necessary changes to your coverage.

UTILITY FLAG MARKINGS

Have you ever wondered what the different colors mean when you see flags in a yard? The United States uses the American Public Works Association (APWA) Uniform Color Codes for temporary marking of underground utilities. Flag colors mean:

WHITE	White: Pre-marking of the outer limits of the proposed excavation or marking the centerline and width of proposed lineal installations of buried facilities.
PINK	Pink: Temporary Survey Markings.
RED	Red: Electric power lines, cables or conduit, and lighting cables.
YELLOW	Yellow: Gas, oil, steam, petroleum, or gaseous materials.
ORANGE	Orange: Communication, alarm or signal lines, cables or conduits, and fiber.
BLUE	Blue: Potable water.
PURPLE	Purple: Slurry, irrigation and reclaimed water.
GREEN	Green: Sewers, drainage facilities or other drain lines.

REMINDER: All the cables for our utilities are buried underground. Anytime you plan to dig in your yard for something like a patio, sidewalk, deck, pergola, tree always call 811 for them to check and flag any underground utilities. It could save you a lot of headaches in the long run.

COOKING IN GARAGES

At the advice of the Plainfield Fire Department, cooking in a kitchen set up in a garage is not allowed. This is especially true of Paired Patio Homes in Meadowlark. A fire in one unit could quickly spread to the attached unit.

There are numerous codes and requirements for a garage to be retrofitted in order to be safe for cooking, including, but not limited to proper venting, proper ceiling and flooring, dedicated 110 and 220 amperage electrical lines, among other requirements.

Although **cooking in kitchens in garages in Meadowlark is not allowed**, we understand that due to cultural customs, some families in Meadowlark want to cook in their garages. If that applies to you, the HOA will consider it, but only if you contact the Fire Department for an inspection and the Town of Plainfield for any permits needed to modify your garage to meet code. Next you must submit a request to the Architectural Review Committee and prove that all codes, laws and requirements will be met before any consideration will be given by the Board. Furthermore, the owner of the connecting unit must give permission, in writing, to allow cooking in the other unit's garage.

The Board still has the right to deny the request if concerns for safety still exist.

As of this article, no one has submitted an ARC request to cook in their garage. This can be a dangerous situation for all concerned. If anyone is aware of persons cooking in garages, report them to KMC.

SIDEWALKS

In the fall of 2025, after months of dealing with the Town of Plainfield about the condition of our sidewalks, repairs were made to dangerous sections in our sidewalks in Meadowlark.

This finally happened after we reported to TOP that at least two residents had tripped and fallen on uneven sections, resulting in injuries and in one instance, surgery.

Recently we have heard remarks about new sections of our sidewalk that are dangerous to walkers. Some reported falling.

The sidewalks are not the responsibility of the HOA. They are maintained by the Town of Plainfield. If you have fallen and sustained any injury, small or serious, contact Town of Plainfield and report it to them.

If everyone who falls contacts them about injuries, they may take this seriously and take another look at the condition of our sidewalks and make additional repairs.

We need your help on this.

Meadowlark Facebook Group

We encourage you to join our Meadowlark Facebook Group for residents only. Its primary purpose is to immediately advise you of pertinent information regarding issues and activities in our community.

Go to the [Documents](#) page and click the "Meadowlark Facebook Page" file name for instructions.

If you have trouble signing up, email Paula Moore at paula.meadowlark@gmail.com

Our Mantra

MEADOWLARK

Neighbor helping neighbor; caring about each other; being willing to work together for the betterment of our community.

Welcome Committee

No neighborhood is static; people move in and out all the time. We welcome all new neighbors with a Welcome Visit and give them a Welcome Packet of information about our neighborhood as well as a gift. We also provide the rules and regulations that govern our community. It's as much about keeping people informed as it is about getting people involved.

If you are new to Meadowlark and have not received a Welcome Visit, contact:

Elaine Kinkad, (317) 260-9792, ckinkad38@yahoo.com

OR

Carolyn Huber, (317) 838-7473, carolynhuber49@icloud.com

- Services - Crime Watch

You can generally tell a safe neighborhood vs. an unsafe neighborhood by how well homes are kept and the number of people on the streets. Working with residents and the Plainfield Police Dept., we take a vigilant approach at preventing crime and making our community safe.

Throughout the year, our Crime Watch Block Captains keep a watchful eye for unusual activity. On occasion we hold a Crime Watch Meeting about a timely issue that affects all of us.

< Our mantra is *"If you see anything suspicious, contact the Plainfield Police."* >

See the [Crime Watch](#) page for more details plus a list of the Block Captains.

Anyone can be a Block Captain. If interested, contact:

Elaine Kinhead

(317) 260-9792

ckinhead38@yahoo.com

- Services - NNO Function

The Meadowlark community supports the annual National Night Out, held the 1st Tuesday in October at Hummel Park in Plainfield. The Plainfield Police Department partners with members of our community to show support for crime prevention. Police and fire personnel from Plainfield and other public safety agencies are there to visit, talk about safety and answer questions.

This is a FREE event with bounce houses, DJ, yard activities and games, community vendors, free giveaways, and the most important thing....FREE food.

For current information, go to the Town Of Plainfield web page:

< [https://www.townofplainfield.com/Search?
searchPhrase=national%20night%20out](https://www.townofplainfield.com/Search?searchPhrase=national%20night%20out)

- Services - Annual HOA Meeting

There is no escaping community growth; however, how it is handled makes all the difference. Every year on the 2nd Tuesday of October, we hold our Annual Homeowners Meeting to keep residents informed on changes that affect the community as a whole. This is a vitally important meeting, as that's when we elect officers, review the budget for the upcoming year, report on activities and decisions made the past year, and bring issues and ideas to the residents. It's also a time to receive your input and questions.

The meeting is from 6:30 p.m. to 9:00 p.m. at Grace Pointe Church, corner of Raceway Road and Morris Street.

< We urge every homeowner to attend or submit their proxy. Your interest is what keeps us growing in the right direction. >

Make this your neighborhood...get involved!

- Clubs - Dinner Club

The Dinner Club meets the 3rd Tuesday of each month at 6:00 p.m. during the Spring to Fall months to try out community restaurants and to visit and socialize with our neighbors. The club disbands during winter. The Location is determined monthly.

If you love to try new eating places and would be interested in joining other neighbors, contact one of the ladies below and put your name on the call list. Prior to the dinner each month you will receive a call to see if you are going and to let you know where it will be that month.

< **Contacts:** Wanda Warren
(317) 839-8445
Carolyn Huber
(317) 838-7473 >

- Clubs - Bunco Club

There currently is one Bunco Club which meets once a month @ 6:30 PM. Members share hosting in their homes and provide plenty of snacks and desserts. The hostess for the month decides on the date. It's a fun time for all.

If you like Bunco and would be interested, contact:

Elaine Kinead

(317) 260-9792

ckinead38@yahoo.com

New Club?

If you have an interest in starting a new club such as Euchre, Book Club, Day Trippers or something else, contact us with the details. We will publicize it and if enough residents are interested, add it to our Activities.

If you are interested, email:

MeadowlarkLakesHOA@gmail.com

- Activities - Garage Sale

Each year on the 2nd Saturday in June, the entire neighborhood joins in a Community-wide Garage Sale. The Board secures the necessary permit and posts signs advertising the sale.

Participation is optional, of course, but most residents find it a good time to clean out their garages and closets. Our community draws in a lot of people from areas all around us.

It runs from 8:00 a.m. to 2:00 p.m. All residents are welcome to join in.

**Meadowlark

WORKING TOGETHER
to keep our neighborhood safe,
inviting & beautiful

Architectural Review Committee Intro & Process

THE ARCHITECTURAL REVIEW COMMITTEE (ARC) is comprised of the ARC Liaison and multiple homeowner members.

It is the responsibility of this committee to review each new improvement request submitted by a homeowner and to approve or reject the request in a timely manner. The committee reviews the design, appearance, color, materials, dimensions, pictures, and specifications of all improvements requested. A Plot Plan must be included for all new improvements, marking the locations where they are to be installed. The committee is guided by, and adheres to,

the Declaration of Covenants and the Plat Covenants and Restrictions. The purpose of this review is to preserve the harmonious relationship among structures, the vegetation, and the topography in the Meadowlark community...to maintain the quality and standards of our neighborhood.

When we work together, we can continue to achieve the goal to maintain the quality, beauty, and value of our neighborhood.

General Rule: Effective 4/1/26, along with New changes, Replacements and Color Changes to be made to the exterior of a house or to a lot **MUST** have the approval of ARC. Only those items listed below as "Exceptions" are exempt from ARC approval.

ARC Requirements

The table below explains what improvements are exempt from ARC approval, which ones do need ARC approval, and which ones are not allowed. **Effective 4/1/26**, the changes made to this information, shown below, supersede information in our Declaration and Plat Covenants.

Exceptions

*These **Do Not require** submission of a Request for Change form or approval from ARC*

Flower Beds:

- Flowers, shrubs, mulch, small ornamental trees, and decorative edging installed within 6 feet of a home's foundation; also around mailboxes, so long as the plantings do not block your address or flow into the sidewalk or street; also around utility boxes in your yard, so long as they do not inhibit a service technician's access to the box.
- Replacement of existing trees so long as they are planted in the same place. New or additional trees must be approved.

Exterior:

- Replacement of existing satellite dish so long as it is located at least 10 ft. from the front of the home; old one is to be removed.

Needs Approval

Must submit a Request for Change form and it must be approved before work can begin

Exterior of House:

New:

- Any New improvement, such as, but not limited to, storm doors, security doors, retractable awnings, decorative fixtures, room additions, new satellite dish.
- A second satellite dish.

Replacement:

- Replacement or painting of existing doors, windows, shutters, gutters, downspouts, fascia, trim, siding, garage doors and roof (*must be the same or as close as possible to the original colors*).
- Any Color Changes to existing items. See list of Paint Colors on the [Bulletin Board](#) page.
- Replacement of, but not limited to, existing pergolas, patios, awnings, patio dividers and fences.

Not Allowed

***Not allowed** in Meadowlark; if submitted, will be denied*

- Large or Permanent Swimming pools, sport hard courts, permanent basketball goals, non-retractable awnings, satellite dishes that do not meet the requirement of being on front of home within the 10 ft. guideline.

♦ See the [Declaration of Covenants](#) and the [Plat Covenants and Restrictions](#) for a detailed explanation of improvements allowed/not allowed.

♦ **IMPORTANT!** Homeowners who make new improvements without seeking ARC approval must still complete the [Request for Change](#) form. It will be reviewed by ARC and if found to be non-compliant, the homeowner may be asked to remove it.

• **Effective 4/1/26**, along with New improvements, ALL Replacements and Color Changes must be submitted to ARC for approval, to guarantee that the approved color scheme and standards of the community are met.

Lot Improvement:

- New improvements such as, but not limited to, trees, decks, pergolas, patios, retaining walls, fences, fountains, walkways, pavers, drainage, irrigation systems.
- Replacements of any of the above.

ARC Process

How to Submit a Request for Change Improvement Request

As defined in the Covenants, when a homeowner in Meadowlark wants to make a New improvement, a Replacement, or a Color Change to his or her home exterior or landscaping, approval must be received from the Architectural Review Committee (ARC), except for the things stated in the **Exceptions** column shown above.

Process

1. Get the Request for Change form, either by downloading it from the link below, from our [Documents](#) page, or by contacting Kirkpatrick Management; (if you have questions about the process, contact the ARC Liaison for assistance):
 - **Phone:** Office: (317) 570-4358 or Direct: (317) 827-8086
 - **Email:** Whitney Crabtree, CSR - wcrabtree@ekirkpatrick.com
 - **US Mail:** Kirkpatrick Management Co., Inc., 5702 Kirkpatrick Way, Indianapolis, IN 46220-0630
2. If you downloaded the form from our "**Documents**" page, it is set up for you as a "forms fill-in"...just TAB through the fields and complete the necessary information. Save and print it. Homeowner must include this information: *Detailed description, color, material, dimensions, a copy of homeowner's Plot Plan showing where the change is going, pictures of the requested item, contractor specifications...anything that applies to the request.
3. Send the completed form and all supporting materials to KMC by Email (scan and send) or US Mail.
4. KMC verifies the owner and address and checks all information on the submission. If there is missing information the request will be Denied and the homeowner is contacted to resubmit the request with ALL the necessary information and materials.
5. Once all required information is received, KMC forwards the request to the ARC Liaison.
6. The ARC Liaison then sends it to the members of the Committee.
7. ARC members review each request as it is received, and the committee:
 - (1) gives full approval
 - (2) gives qualified approval (requires changes to be in compliance with the Covenants), OR
 - (3) denies the request.
8. Liaison returns the request to KMC, stating the committee's action.
9. If approved, KMC informs the homeowner of the decision by letter. Once homeowner receives the approval, work on the improvement may be started. Owner has one year to complete the improvement. After that, it must be resubmitted.
10. If rejected, KMC informs the homeowner of the rejection by letter, and the reasons.
11. Homeowner has the right to appeal or to change the requested improvement plans to eliminate the non-compliance reasons, and resubmit the changed request to KMC.
 - ♦ If appealed as originally submitted, the Board will review it and their decision is final; KMC will advise homeowner of the outcome.
 - ♦ If the request is re-submitted with the necessary changes, it goes through the review process again.

ARC Request for Change Form

Click the file name and download it to your local drive: [ARC Request for Change Form](#)

IMPORTANT!

If a homeowner makes an improvement, replacement or color change without seeking approval from ARC, the Board has the right to:

- (1) request the homeowner submit the Request for Change form "after the fact" and
- (2) if homeowner does not, or the improvement does not comply with the Covenants, the Board has the right to ask the homeowner to remove the improvement.

It is very important that homeowners follow the procedures to avoid any misunderstandings.

The Architectural Review Committee pledges to act promptly to ensure your request is reviewed and acted upon as quickly as possible. To help us do that, make sure all required materials are attached to your Request for Change form when it is submitted.

General & Restrictions Information

GENERAL INFO:

- Association dues are paid semi-annually each year. First one is due January 1st, second one due July 1st. Please be prompt, as late fees do apply. Questions? Contact the [Management Co.](#)
- Lawns are normally mowed on Wednesday. If you experience problems, contact the [Management Co.](#)
- Mowers do not mow inside private fenced areas and do not edge around the fences. The Homeowner is responsible; also responsible for cleaning up dog waste inside private fences as well as the maintenance of the fence.
- Snow removal starts at 3 inches; driveways and sidewalks to front door are hand-shoveled. If you have questions, contact the [Management Co.](#)
- Trash pickup is Friday a.m. Trash and Recycle carts can only be put out within 24 hours before pickup but must be at your curbside by 6:30 that morning. Carts must be returned to your garage within 24 hours after pickup. Carts cannot be left outside in public view. If a National Holiday falls on a weekday, our pickup is delayed until Saturday morning.
- For heavy items, call Waste Management to arrange for a special pickup - (866) 797-9018.

RESTRICTIONS:

- Animals (dogs and cats) must be leashed when outside; you must clean up after them.
- Improvements/replacements to your yard/outside of your residence must first be approved by the Architectural Review Committee (ARC). Improvements that do not require ARC approval are noted on the [ARC Intro & Process](#) page.
- Do not block sidewalks when parking on the street or in your driveway. This is a violation of a Town of Plainfield Ordinance. Keep them clear for all to enjoy during their walks; try not to block curb numbers... especially at night. They are critical in an emergency.
- Garage lights are "dusk-to-dawn" and must be on every night. They are a major factor in maintaining neighborhood security.
- If a homeowner disregards the rules in the Declaration of Covenants and the Plat Covenants & Restrictions, such action may be considered a Violation, and the homeowner will be contacted to remedy the violation.

See the [ARC - Intro & Process](#) page for more details; also read the [Declaration of Covenants and Plat Covenants & Restrictions](#) (found on the [Documents](#) page) for detailed information.

Crime Watch

THE MEADOWLARK COMMUNITY works with the National Crime Watch program. In the past, Crime Watch meetings were held in the Spring and the Fall, but we now occasionally hold one only when matters that have a bearing on our community arise. Such meetings are held at the Grace Pointe Church, corner of Raceway Road and Morris Street.

We have a good relationship with the Plainfield Police and Plainfield Fire Departments who update us on crime activity in our area and safe practices. In October we support National Night Out held at Hummel Park.

We have a very active group of "Block Captains" who are on the lookout for suspicious or dangerous activity. The Meadowlark neighborhood has one of the lowest crime rates in Hendricks Co. We are very proud of that and strive to keep our community safe.

In Case Of Emergency

If you have an emergency, call **911**

If you see any suspicious activity... anything that doesn't look normal, call the Plainfield Police at **317-839-8700**

Or use the Crime Tip Line at **317-754-5200**

Plainfield Police Facebook page <https://www.facebook.com/PlainfieldIndianaPD/>

Plainfield Police Web page <https://www.townofplainfield.com/1194/Police-Department>

Crime Activity Updates

2026 Incidents

No incidents reported to date.

2025 Incidents

- ♦ **September.** No incidents reported.
- ♦ **July/August.** No incidents reported.
- ♦ **June:** Altercation outside a home on Crane Drive this past week and several patrol cars and an ambulance responded.
- ♦ **April:** No incidents reported as of 4/1/2025.

2024 Incidents

September, October: No activity reported.

August: Resident on Oriole Court had damage to all 4 tires on 2 vehicles in his driveway. It was reported to the police and is considered vandalism. You can protect your vehicles by parking them in your garage. All homes have room for at least 2 vehicles.

June & July: No activity reported.

May: No activity reported.

April: In the past few weeks we have received reports of:

- ♦ Paint Ball paint splattered on sidewalk and driveway on Whippoorwill
- ♦ Mailbox post hit and run on Swan Court
- ♦ Peeping Tom spotted by resident on Oriole Ct. about 10:15 p.m.
- ♦ Mail stolen from mailboxes

REMINDERS:

- ♦ Close your blinds and curtains in the evening. Make sure all windows and doors are locked, including those of your vehicles if parked outside. Consider taking your outgoing mail to drop in the mailbox at Meijer's.
- ♦ If you have cameras and see something suspicious, please share it with the Police Department - (317) 839-8700. Also make Elaine Kinkead aware as she is in charge of the Block Captains and tracks activities in the community.

RULE TO FOLLOW: Any suspicious person or activity should be reported right away to the Plainfield Police. It may seem insignificant, but your report might make a difference in stopping a future incident or apprehending the perpetrator.

Approved Paint Colors for Meadowlark

The table below lists all the approved paint colors allowed in Meadowlark.

General Information	Shutters & Front Doors	Other Exterior Items	Colors
◆ Effective 4/1/26, all new, replacements, and paint color changes must be approved by the Architectural Review Committee. ◆ Owners who have the Builder's Specifications and Blueprints for their homes can find the original colors on the "Exhibit B" To Real Estate Purchase Agreement Selection of Features & Options form. The paint sample submitted to ARC for approval must match or be as close as possible to the original color. ◆ Owners who do not have the original Specifications/Blueprints for their home must have approval from ARC, and the paint colors submitted must match or be as close as possible to the current color.	<u>Approved Colors:</u> ◆ Black ◆ Federal Brown (dark brown) ◆ Gray ◆ Hunter Green, Midnight Green (dark shade of green) ◆ Navy Blue ◆ Royal Garnet, Bordeaux or Merlot (deep purplish red) ◆ Sand (beige) ◆ White Shutters and Front Doors MUST be the same color. Effective 4/1/26, owners can change the paint color of their Shutters and Front Door but only with approval from the Architectural Review Committee and the color submitted must be on the above Approved Colors list.	<u>Almost all homes are in beige tones.</u> ◆ Siding, Soffit, Fascia, Trim/Posts ◆ Gutters, Downspouts ◆ Garage Doors ◆ Windows ◆ Roofing ◆ Brick <u>Homes with white siding.</u> ◆ Siding, Soffit, Fascia, Trim/Posts, Gutters, Downspouts ◆ Garage Doors ◆ Windows ◆ Roofing ◆ Brick	<u>Here are the Colors:</u> = Sand, Sandtone = Wicker, Antique Ivory = Sandtone = Beige = Weathered Wood, Weathered Grey = Chelsea, St. Thomas <u>Here are the Colors:</u> = White = White = White = Weathered Wood, Coastal Granite = Old Indiana Tudor

- ♦ **Single Dwelling Homes.** Shutters and Window Trim must be the same color on both stories of the home.
- ♦ **Paired Patio Homes.** The paint colors used on one Residence Unit are not required to match the colors used on the attached Residence Unit, although it is preferred that they be the same.
- ♦ **Color Violations.** Colors other than those listed in the above Approved Paint Colors list are considered a violation, and **the Owner of the Residence Unit will be expected to change the color to one of the approved colors** at the Owner's expense.

ARC Exceptions & Requirements

See the Chart on the **ARC - Intro & Process** page for complete details on improvements that are Exceptions, ones Needing Approval, and Items Not Allowed in Meadowlark.

Waste Management Holiday Schedule

Normal trash pickup is Friday morning. Trash carts should be at curbside by 6:30 a.m., placed 3 feet apart. When a National Holiday falls on a weekday, pickup is delayed until Saturday morning. Here is the schedule. Also read the information on the back pages of your **Meadowlark Directory** for more details. For the latest information, go to Waste Management's web page:

<https://www.wm.com/us/en/holiday-schedule>

2026 DATES	HOLIDAY
Monday - May 25th	Memorial Day
Saturday - July 4th	Independence Day (we may not be affected; clarification later)
Monday - September 7th	Labor Day
Thursday - November 26th	Thanksgiving
Friday - December 25th	Christmas
Friday - January 1, 2027	New Years Day

Meadowlark Violation Fines Schedule

MEADOWLARK VIOLATION FINES SCHEDULE

Effective July 12, 2026

Indiana Homeowners Association Act, found in Title 32,
Article 25.5 of the Indiana Code

As of July 1, 2026, Indiana HOAs may charge fines for Violations. The Meadowlark **Plat Covenants and Restrictions** define all activities and improvements that are allowed or not allowed in our community. Guidelines for all activities must be followed. All outside new enhancements and replacements of existing items must be approved by the Architectural Review Committee by the submission of an ARC Request for Change form. A violation occurs when you disregard activity guidelines or do not request ARC permission for an improvement or replacement. Violations can be avoided by following the guidelines stated in our Governing Documents.

Meadowlark has divided the violations set forth in the Governing Documents into two (2) categories: **Minor and Major**. Minor violations, such as trash cans left out or garage lights not working, are generally easy to correct. Major violations are those that can affect our property values and Meadowlark’s appearance, harmony or character, including unapproved installations and paint colors.

Each category has a Fines Schedule that applies to all violations within that category. A repeated violation in a category, such as recurring weeds in a yard, is subject to increased fines for the second and third occurrence **within a calendar year**. A fourth and additional repeat occurrences will be charged at the third-violation fine amount. Resolved recurring violations cease at the end of the calendar year and begin anew as of January 1st of the following year. Any unresolved violations continue the process until resolved and apply to the year in which the violation occurred.

PROCESS

- 1st Letter** is a Warning; 20 days to resolve.

2nd Letter a fine is charged; 10 days to resolve.

3rd Letter a higher fine is charged. This fine is charged daily until violation is resolved or fine reaches the **Cap**, which is the maximum amount that can be charged for a violation.

Cap Reached. If unresolved when Cap is reached, the violation is turned over to the Attorney for resolution and payment of all fines and costs. **All fines are assessments on the land and owner(s).**

NOTE: To avoid violations, read the **Plat Covenants & Restrictions** section of our Governing Documents for detailed explanations on activities and improvement requirements. Furthermore, if you cannot resolve the violation within the specified time, **CONTACT KIRKPATRICK MANAGEMENT CO.** with an explanation. If reasonable, the violation can be placed on Monitored and Fines paused while the Board helps you reach a satisfactory resolution for all concerned.

On July 12, 2026, the Meadowlark HOA Board voted on and approved the Violation Fines Schedule, effective as of that date. Below are the Fine Schedules for both the Minor and Major Violation Categories for the Meadowlark community.

MEADOWLARK MINOR VIOLATIONS FINES SCHEDULE

Effective July 12, 2026

Indiana Homeowners Association Act, found in Title 32, Article 25.5 of the Indiana Code

	1st Letter/Warning (20 days)	2nd Letter/Fine (10 days)	3rd Letter/Fine (Daily fine to Cap)	Cap (to attorney)
First Violation:	Warning	\$15	\$30	\$500
Second Repeated Violation:	Warning	\$25	\$40	\$500
Third and Additional Repeated Violation:	Warning	\$35	\$50	\$500

The above fines apply to all violations in this Category

• Algae on house	• Holiday Lights and Decorations
• Animals off leash (dogs and cats)	• Items in yard or stored next to home
• Fishing and Pond Restrictions	• Mailbox: incorrect numbers, repair or replace, paint post
• Flag Poles	• Nuisance: noxious/offensive activity; animal disturbance (barking), noise (loud music), odors
• Fountains	• Parking over Sidewalk or blocking Mailboxes
• Garage Door Screens	• Signs in yard
• Garage Lights: bulbs out or sensor defective	• Trash Cans left in view
• Grass/Weeds in flowerbeds, yard, driveway, rocks	• Windows and Screens: repair, replace

MEADOWLARK MAJOR VIOLATIONS FINES SCHEDULE

Effective July 12, 2026

Indiana Homeowners Association Act, found in Title 32, Article 25.5 of the Indiana Code

	1st Letter/Warning (20 days)	2nd Letter/Fine (10 days)	3rd Letter/Fine (Daily fine to Cap)	Cap (to attorney)
First Violation:	Warning	\$30	\$60	\$1,000
Second Repeated Violation:	Warning	\$60	\$90	\$1,000
Third and Additional Repeated Violation:	Warning	\$90	\$120	\$1,000

The above fines apply to all violations in this Category

• Ditches, Swales, Drains	• Pods, dumpsters
• Exterior Changes: patio, pergola, pavers, porches, hot tubs, cement work, walkways, shingles, siding, awnings	• Private Fences: trimming fence line, inside and out, mowing inside, animal refuse cleanup, maintenance--- paint, repair, replace
• Fences: regular and invisible	• Prohibited Animals: more than 3 (total of dogs and cats combined), feral cats, undomesticated animals
• Home addition	• Retaining walls
• Irrigation system	• Satellite dishes; unused to be removed
• Kitchen/Cooking in garage	• Shutters/Front door paint not same color
• Landscaping: new or replacements	• Shutters: repair, paint, replace
• Lawn bare spots	• Solar panels
• Painting unapproved color	• Temporary storage: sheds, cabinets
• Parking of RV, Trailer, Boat, Commercial trucks over 3/4 ton	• Trees: dead/damaged, overgrown, planted outside owner's plot or in Common Ground, new or replacement
• Patio divider	• Unapproved rental
• Permanent fire pit	• Vehicle repairs in driveway
• Permanent swimming pools, basketball courts, outside equipment	• Vehicles stored in driveway
